[ANNOUNCEMENT] Launch of the New Student Portal for Summer 2026 Course Registration

June 29, 2026

Dear VinUni Students,

We are pleased to announce that **starting from the Summer 2026 semester**, all course registrations will officially be conducted through the new **VinUniDigi Student Portal**.

The new portal offers a more intuitive interface and an improved registration experience, allowing students to search, register, review, and manage courses more efficiently.

Please read the following guidelines carefully before the registration period begins.

📘 Course Registration Handbook

To help students become familiar with the new registration system, the Office of the Registrar has prepared a **Course Registration Handbook** with detailed instructions and screenshots.

Download: Course Registration_Handbook

The handbook includes guidance on:

- Signing in to the Student Portal
- Registering for courses
- Understanding class status and common registration issues
- Reviewing registered classes
- Dropping registered classes
- Previewing your timetable
- Final registration checklist

We strongly recommend reviewing the handbook before your registration slot opens.
